

Committee meeting

Wednesday 19th January 2022

Present:

Christine, Rupert, Ian, Marie

Apologies : Lewis, Gary, Queenie

First Port budget

The meeting was called to discuss and review First Port's proposed budget for YE February 2023.

Grounds maintenance and costs associated with clearing and maintenance of bin sheds were itemised highlighted for further questions to FP by committee members.

Comments from other members suggested that the majority of the budgetary costings were in line with expectations, given the uncertain economic climate that is currently present.
