

Minutes

Leybourne Park RA March Committee Meeting 21st March 2019

With Georgia Oxley, First Port site manager –

Apologies: Niki, Gary, Sharon

1. Plans for parking –

Yellow Lining. Existing yellow lining is to be refreshed in preparation for future enforcement. Meeting to be called with FP and CPM to confirm how enforcement will commence. Yellow lining at the Bellingham Way entrance is on hold pending action by Golding Homes notifying their residents not to park on the pathway on the Aberly Drive entrance roundabout.

Adding Parking Bays. Chase Skyline for quotation for bays they can enhance by herring boning and extending existing bays.

2. Extra Play equipment on Aberly Park.

Extra funding still required by holding events such as Fun Day involving Hyde residents. Plans to be prepared for equipment and costings finalised.

Other business –

Lewis – Dogs in parks. Georgia to consult the lease agreement for details.

Ray – Local Contractors. The Association has requested that local contractors, where possible, to be included in First Port's list of approved contractors.

Ray – Paying Management Fees monthly. As this is confidential information residents are requested to contact Georgia and Darren at First Port to investigate.

Thanks to our host

Next Meeting

Open at the Bricklayer's Arms 18th April.

Last meeting before the A.G.M.!
