Bollards/Parking: Action by Skyline imminent following telephone conversation

Children's playground: Halted work on matting along fence as not a trip hazard. Ray to check that the residents are not charged for work not carried out

Meeting with First Port at Parish Offices: Residents will be requested to submit questions in advance to add to the agenda. Questions not submitted in advance will be allowed only if time permits.

Entrance Signs: Unanimously passed, for one perspex sign for Papyrus entrance and a metallic sign for Bellingham entrance. Wording to include "funded by Leybourne Park Residents' Association" to avoid confusion as to who gets charged.

Facebook Page: It was felt due to threads being hijacked by keyboard warriors restrictions will be more strictly adhered to, and to only post information. The facebook page will be monitored with a view to possibly phase it out in favour of the website.

Christmas: Committee to request funding by Hyde/First Port/GI Landscapes for adding and placing extra lighting. Lights already in place will be powered up, and the lights in stock draped on selected trees. Meet up on 1st December to hang lights on trees in small park.
