Residents' Association

Notes of Meeting 21st November
Bricklayers Arms

Officers Present: Ray, Marie, Ian, Gary, Rupert, Charlie.

Apologies: Liz, Jenny, Luke.

The meeting was called to order at 7:30 p.m.

Internal / External Redecorations: These are – according to FirstPort proceeding on schedule, but the contractors realise that the externals may have to be completed in the Spring. External paintwork is to be inspected by I.C.I. Duluxe and following completion there will be a snagging process. All residents living in the blocks should report any problems to FirstPort and the R.A.

Contractor Meetings: The major FirstPort contractors for the development will be invited to meet with the R.A. to discuss what the Residents require from them that is not included or attended to in their remit.

Christmas Lights: We are in discussion with Blu-3 to sponsor professional lighting of two or our trees, with the original tree will be lit by the RA with a lighting ceremony on the first weekend of December inviting Trudy and David to do the necessary.

Play Equipment: The association has found financing for swings and monkey bars for the older kids to be located on the top end of Aberly Park, plus picnic benches through grants from the Parish Council, fund raising and rebates. Installation of the play equipment should begin this December.

The meeting concluded at 9 p.m.
