

Papyrus Way road works

Dear Resident

As part of the ongoing works associated with the Panattoni Park located at the old Paper Mill site, we are required to complete road and footpath improvements to Papyrus Way.

These works will commence 25th March for an 8 week duration.

All works will take place during normal working hours in order to reduce disturbance to local residents.

Traffic Management will be in place for the whole duration of the works however electronic traffic control measures (lights) will only be in place for weeks 2 - 6 - 7 and 8, these will be manned in the event of breakdowns

Alternative parking for Residents has already been put in place.

Working closely with out subcontractors, we have put all reasonably measures in place to reduce the noise during these activities.

We ask that the installed barriers and signage are fully adhered too at all times as they are put in place to safeguard both Public and Construction Operatives.

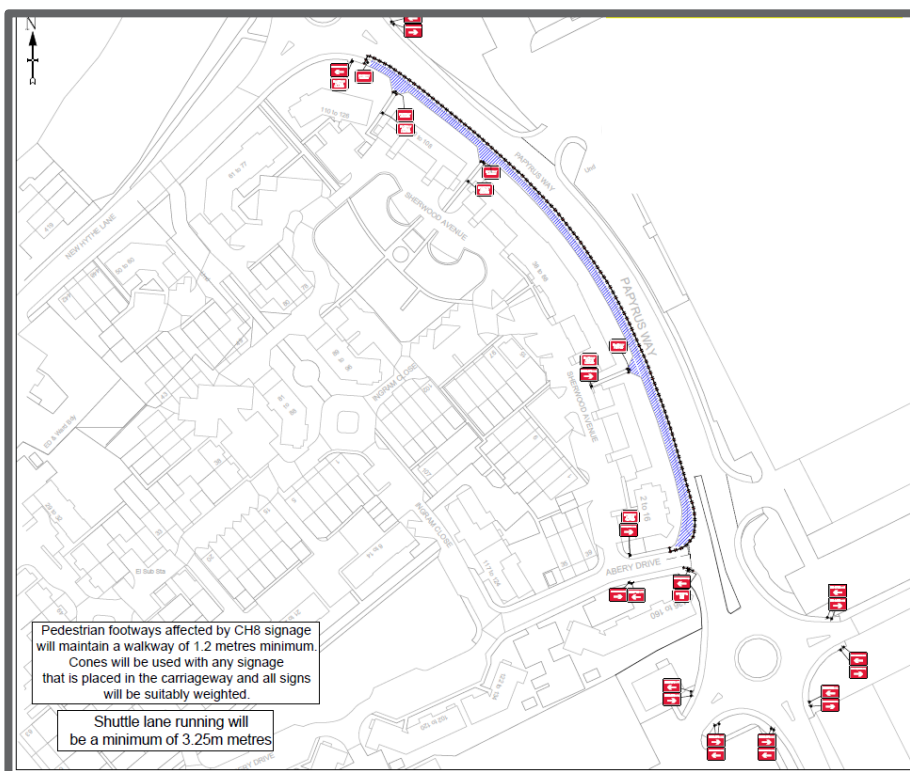

We apologise in advance for the disruption.

If you do have any queries or concerns please see below my direct contact details
